

Microvitae attends BioMedical Engineering Society Conference 2012, Atlanta, Georgia, USA (12-15 octobres 2011)

1)

Design and validation of electrodes for human multiscale electrophysiological recordings

Leleux, P. , Bénar, C., Badier, J.-M., Hervé, T., Malliaras, G., Chauvel, P.

2)

New flexible neuronal probes for long-term experiments

Thomas Doublet, Dion Khodagholy, Esmat Ismailova, Pascale Quilichini, Pierre Leleux, Antoine Ghestem, Thierry Herve, George Malliaras, Christophe Bernard

Proceedings: BioMedical Engineering Society Conference 2012, Atlanta, Georgia, USA (12-15 oct 2012)
